

Our Focus is Your Success™

May 1, 2012

Greetings,

It is my pleasure to share a professional relationship I've had with Mike Dorsett, President of Portfolio Performance LLC.

I truly respect Mike's ability to analyze, research and coordinate resources that offer solutions of value to an organization. Financial institutions should always be looking for an individual that delivers top results, represents themselves and the institution professionally, speaks well, is honest, fair, and dependable and practices the mission, vision and values important to that organization. Mike Dorsett is that individual and I recommend Mike and his company for your needs.

If you have any questions please feel free to contact me. Thank you for your attention.

Sincerely,

Jeff R. Schneider, CLU
